We recommend visitors travel by Tube or taxi as there is very limited parking in the area and no guaranteed street parking near the offices.

By Tube

The nearest Tube station is Warren Street which is on the Northern and Victoria Lines.

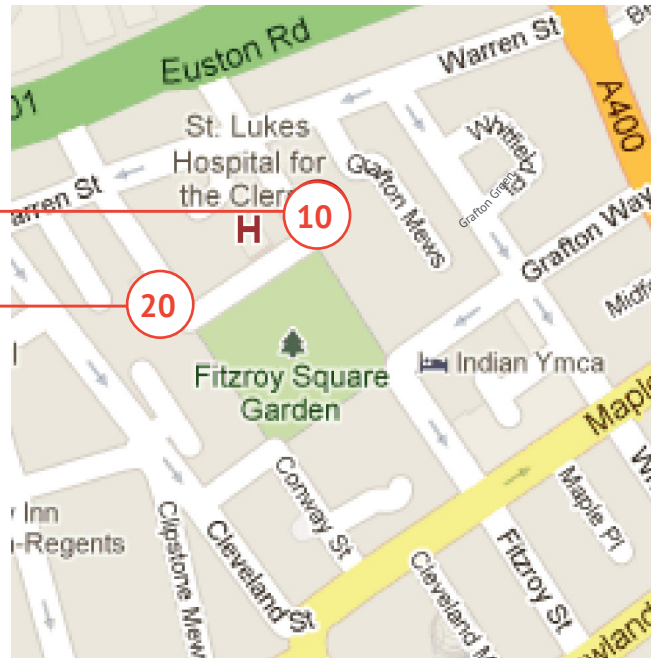

- Leave Warren Street Tube via the Warren Street exit
- Turn right down Warren Street
- Cross the road and keep walking. You will pass Whitfield Street & Grafton Mews - take Fitzroy Street, the third road on the left.
- **KMD at 10 Fitzroy Square** - located on the left just before you reach Fitzroy Square (which will be on the right). You will see TEN above the door and a plaque with our logo on the right side of the entrance
- **KMD at 20 Fitzroy Square** - as above but then continue onto Fitzroy Square, bearing right to keep park to your left. At the end where it joins Conway Street (on the right) you will find our office - located across the road directly ahead. Number 20 is on the door
