### Directions from M11

- Leave at Junction 8, signposted A120 (W) B. Stortford
- At motorway exit roundabout, take exit signed A120 (W) Hertford
- Continue straight, approx. 1 mile later, at next roundabout, take 3rd exit signed B1383 Newport
- Follow road up hill and as you come into Stansted Mountfichet, pass The Cock pub on the left
- You will now see a right hand turn in front of a small triangular grassed area with a black metal drinking fountain. Turn right here onto Chapel Hill (B1051)
- Then turn immediately left onto Crafton Green
- Within a few metres, turn first left into the rear car park of Western House
- KMD visitor parking is marked and to the right
- Our entrance is at the far end of the car park through a black metal gate. The path leads you around to the front of the building and our entrance
- Please note: in the unlikely event that access to the car park is limited, there is also a public car park at the end of Crafton Green

### Walking from Stansted Mountfichet station

- Exit and stay on left side of pavement and walk towards a mini roundabout
- Take the left hand exit up Chapel Hill and immediately move to the right hand side of the road at the zebra crossing
- It is uphill until you reach Crafton Green where you should follow the steps as already indicated through the rear car park
